

## NORMALIZING MOISTURIZER N

- A moisturizing cream for normalizing overly dehydrated scar tissue
- **Key ingredients: Royal Jelly, Peptides, Olive Leaf Extract, Niacinamide**

### DESCRIPTION

An extremely hydrating moisturizer that helps to normalize hypertrophic or keloid scars, a natural result of the skin healing process that can arise from acne, injury, burns, c-sections, or surgical operations. Highly concentrated peptides, Grape Stem Cell Extract, and ultra-hydrating vitamins and botanical extracts are encapsulated into our Alphasomes® liposomal technology for optimum results.

### FEATURES AND BENEFITS

- **Smoother Uneven Skin:** A blend of Niacinamide (Vitamin B3), Royal Jelly Extract, Shea Butter, and Aloe Vera help to smoothe uneven skin.
- **Strengthen:** Alpha Palmitoyl Pentapeptide-5, Alpha Acetyl Tetrapeptide-5, and Grape Stem Cell Extract supports skin's natural collagen production and stimulate the natural barrier function of the skin.
- **24 Hour Moisturizing:** Extracts of Pomegranate, White Tea, and Rosemary effectively moisturize hypertrophic or keloid scar tissue.
- **Safe and Gentle:** Restores skin color and texture naturally.

### USAGE

Always apply to clean skin. Massage a generous amount onto scar tissue and 3/4" surrounding area twice a day. For best results, exfoliate with Bamboo Cream Peel and apply G.S. Gingkosome® before moisturizing.

### INGREDIENTS

Water (Aqua), Propanediol (Zemea), Carthamus tinctorius (Safflower) Oil, Cetearth-15, Cetearyl Isononanoate, Butyrospermum parkii (Shea) Butter, Phosphatidylcholine, Alpha Palmitoyl Pentapeptide-5, Alpha Acetyl Tetrapeptide-5, Sodium Hyaluronate, Stearyl Alcohol NF, Neopentyl Glycol Diheptanoate, Vitis vinifera (Grape) Fruit Cell Extract, Niacinamide, Royal Jelly Extract, Glycerine, Beta Glucan, Decyl Oleate, Coco-Caprylate/Caprate, C12-15 Alkyl Benzoate, Cucumis sativus (Cucumber) Seed Oil, Squalane, Rosa canina Fruit Oil, Punica granatum (Pomegranate) Extract, Olea europaea (Olive) Leaf Extract, Camellia sinensis (White Tea) Extract, Xanthan Gum, Allantoin, Rosmarinus officinalis (Rosemary) Extract, Borago officinalis (Borage) Seed Oil, Aloe barbadensis Extract, Tocopheryl Acetate, Ascorbic Acid, Fragrance, Ethylhexylglycerin, Potassium Sorbate, Phenoxyethanol, Tetrasodium EDTA, Oxy CA (Rosmarinus officinalis Leaf Extract and Ascorbyl Palmitate and Caprylic/Capric Triglycerides and Ascorbic Acid and Tocopherol and Citric Acid)

### SIZES

1.65 fl oz/ 50 ml: #830
