## Advanced Formula

Cleanse, Restore, Strengthen, and Prevent Hair Loss

All this attention is paid to how the sun dries our skin, but what about what it does to our hair? It zaps the moisture. It ravages our color. But there is a fix—hair care products that stimulate the scalp, give shine to dry, dull hair, and add softness. Our shampoo does just that, all the while cleansing your hair, removing the dirt and grime and helping to prevent hair loss.

### FEATURES AND BENEFITS:

Polyquaternium-7 – adds softness and shine to dry hair.

Hydrolyzed Wheat Protein- hydrates, revitalizes, and helps control moisture balance.

Alpha Biotin Pentapeptide-18 – helps prevent hair loss, encourages and strengthens new hair growth, revitalizes.

Citrus Nobilis (Mandarin Orange) Peel Oil – cold pressed orange oil ideal to help with the cleansing of hair and scalp.

Fucus Visculosus (Bladderwrack) Extract – belongs to the seaweed family, helps calm the scalp, soothes and relaxes.

Vanillyl Butyl Ether – helps to stimulate the scalp, gives a warming sensation upon application.

### USAGE:

Sweet enough to use daily. Apply to your wet hair, massage lightly, and rinse out. Follow up with Sea Enzyme Conditioner and Hair Serum. Avoid contact with eyes.
