

California-Grown, Ocean-Fueled, Nature-Made, Life-Loving Good Skin.

# California Botanical Conditioner

## Advanced Formula

Cleanse, Restore, Strengthen, and Prevent Hair Loss

Listen to this shopping list: jojoba, wheat protein, avocado, vanillyl, peptides, seaweed—sounds like a great blend to prevent hair loss. These are the ingredients that we use to help make your hair feel thicker, stronger and softer. More manageable, vivid and bright—all the necessary components of a good hair day.

### FEATURES AND BENEFITS:

Persea Gratissima (Avocado) Oil – rich in Vitamin E, essential fatty acids, and oleic acid to keep hair soft.

Simmondsia Chinensis (Jojoba) Seed Oil – high in Vitamin E, moisturizing

Alpha Biotin Pentapeptide-18 – helps prevent hair loss, initiate growth phase of the hair follicles. Helps support cell stimulation and metabolism to prevent hair loss.

Vanillyl Butyl Ether – helps to stimulate the scalp, giving a warming sensation upon application.

**USAGE:** After shampooing, apply conditioner, massage your scalp and let it sit for 3-5 minutes before rinsing it out. Avoid contact with eyes.
