24 Hour Moisturizer

Essential Moisture

The harsh reality: sun beats up your skin. It terrorizes it, sucking all the moisture out with its death-defying rays, making moisturizing essential. Our formula combines Kukui Oil, Aloe and a host of sea enzymes into a seriously hydrating lotion that penetrates, softens, tones and all around restores your over-worked skin.

FEATURES AND BENEFITS:

Kukui oil contains vitamins A, E, and F, which revitalize and restore deteriorated, dry skin. Aloe is an anti-inflammatory agent that hydrates and soothes skin.

Has a light White Tea scent and features natural and organic ingredients as well as light sun protection.

USAGE:

After cleansing and misting, apply to with a light patting motion.

ORGANIC INGREDIENTS:

Aloe Extract
