Normalizing Seaweed Body Oil

Calming and Normalizing

DESCRIPTION:

Created from the blossoms of Thyme and Geranium, combined with natural essential oils and botanical extracts, this Body Oil has an extraordinarily calming and normalizing effect on the skin of the body. It imparts a feeling of well being and relaxation. The formula is also soothing, softening and highly detoxifying.

SALON USAGE:

Include in the following treatments: Manicures, Pedicures, Day-Spa Body Treatments, Body Massage, Body Wraps, Back Treatment, Hand / Arm / Foot / Leg Massage.

HOME USAGE:

After a bath or shower while the skin is still moist, apply Body Oil with circular motions on the body, legs and feet until it is completely absorbed. Sea Enzyme Normalizing Body Oil is an excellent treatment for problem areas such as feet, knees, elbows, and calluses.
