

# Blackberry Vanilla Facial Protocol

Savor the bursting fruit scents of blackberries (marionberries) followed by soothing vanilla bean aromas with this anti-aging, hydrating and firming Spring facial. The Blackberry Enzyme contains 5% mandelic acid, hibiscus flower, fig and pineapple enzymes. The skin is then treated with a Vanilla Bean Hydrating Mask to hydrate, firm and improve skin tone.

**Skin Conditions:** Normal and combination skin. **For sensitive skin, blend one part Blackberry Enzyme and one part Vanilla Bean Hydrating Mask to dilute the enzyme.**

## Professional Facial

---

1. Cleanse once with Green Tea Cleanser.
2. Cleanse a second time with Glycolic Cleanser.
3. Apply Blackberry Enzyme under steam for 7-10 minutes. **For sensitive skin, blend one part Blackberry Enzyme and one part Vanilla Bean Hydrating Mask to dilute the enzyme.**
4. Remove with a warm barber towel or with cool aesthetic wipes.
5. *Optional:* Perform a microdermabrasion.
6. Perform extractions.
7. Apply Vitamin C/Green Tea Serum and Ageless Hydrating Serum.
8. Apply Vanilla Bean Mask for 10 minutes, and remove with warm barber towel.
9. Tone with Cucumber Toner.
10. Moisturize with Acai Berry Moisturizer.
11. Protect with Sheer Protection SPF 30.

## Blackberry Enzyme

### Description

Professional Use Only. Contains 5% mandelic acid, hibiscus flower (a gentle alternative to AHAs), fig and pineapple enzymes. Perfect for normal and combination skin.

Tingle factor: 4-5

pH: 3.15

- Antioxidant
- Brightening
- Anti-aging
- Exfoliating

### Skin Types

Normal and combination skin

For sensitive skin, blend enzyme with a hydrating mask such as Vanilla Bean Hydrating Mask to dilute the enzyme.

Anti-aging

### Active Ingredients

- **Rubus Fruticosus (Marionberry) Fruit** is blackberry with high ORAC value and antioxidant properties.
- **5% Mandelic Acid** is a larger molecular weight alpha hydroxy acid with antibacterial properties and is working as an exfoliant, allowing dead skin cells to slough off, making room for regrowth of new skin. Improves wrinkling, roughness, and softens skin.
- **Glycerin** acts as an emollient and lubricant. It also can be a humectant and draw moisture from the air to the skin.
- **Hibiscus Flower** is a gentle alternative to AHAs and has a moisturizing effect. It is an antioxidant that maintains skin elasticity, tones, and acts as an anti-inflammatory.
- **Ficin** is an enzyme derived from figs.
- **Bromelain** is an enzyme derived from pineapples.

### Tips for Use

- Apply a thin layer to the face after cleansing. Manipulate into the skin with fingertips.
- Apply steam if desired. Remove with a warm barber towel after 7 – 10 minutes.

## Blackberry Enzyme

### Important Notes

---

Avoid contact with eyes, and flush immediately if contact occurs.

Always use sun block after using this product.

### Formula Composition

---

Aqua (Water)  
 Rubus Fruticosus (Marionberry) Fruit  
 Mandelic Acid (L)  
 Glycerin  
 Carbomer

 Vanillin  
 Caprylyl Glycol  
 Caprylic/Capric Triglyceride  
 Xanthan Gum  
 Ethylhexylglycerin  
 Sodium Hydroxide  
 Phenoxyethanol  
 Fragrance/Parfum

## Vanilla Bean Hydrating Mask

### Description

Professional Use Only. This hydrating mask is packed with antioxidants and hydration. Glycerin and mushroom hydrate, firm and improve skin tone. Vanillin is an antioxidant to help neutralize free radicals; passion flower, feverfew and yarrow possess anti-viral/fungal/bacterial properties.

- Moisturizes
- Reduces fine lines and wrinkles
- Improves skin's elasticity
- Rebuilds the skin
- Calms
- Anti-aging

### Skin Types

All skin types, especially normal to dry skin

### Active Ingredients

- **Glycerin** acts as an emollient and lubricant. It also can be a humectant and draw moisture from the air to the skin.
- **Fomes Officinalis (Mushroom) Extract** helps to hydrate, firm, improve skin's radiance and can help provide some immune protection for the skin.
- **Passion Flower Extract** contains flavonoids that are primarily responsible for properties that are skin calming.
- **Chrysanthemum Parthenium (Feverfew) Extract and Achillea Millefolium (Yarrow) Extract** have been used as a medicine because of its astringent and anti-inflammatory effects.
- **Vanillin** is an antioxidant to help neutralize free radical damage, soothing and warming.
- **Oxycoccus Palustris (Arctic Cranberry) Seed Oil** is an antioxidant, free radical scavenger, nourishing, moisturizing, high in tocotrienols.

### Tips for Use

- Apply a thin layer to the face after cleansing and exfoliation. Manipulate into the skin with fingertips.
- Remove with a warm barber towel after 7 – 10 minutes.
- Apply toner, moisturizer, and sunblock after use.

### Important Notes

Avoid contact with eyes, and flush immediately if contact occurs.
