

SKIN SCRIPT™

YOUR PRESCRIPTION FOR SKIN CARE

Skin Script Skin Care offers four chemical peels for our Pros.

20% Lactic, 30% Glycolic, 20% Salicylic (Cranberry Turnover Peel), and 10% TCA Depigmentation Peel. These are for professional use only.

To purchase, we require that you acknowledge you have received, and will review, the Skin Script Training Manual and product protocols prior performing any product application.
